

**Chapter 27 Identification Assignment**

Instructions: Find each word, place, event, and name, etc, and identify them in one or two sentences. Use the textbook, class notes, history book, and also the internet to find the information. Complete this assignment on a separate sheet of paper. This assignment must be typed

Example: **Corporatism**- The planned economy of fascist Italy that combined private ownership of capital with government direction of Italy's economic life and arbitration of labor disputes. All major areas of production were organized into state-controlled bodies called corporations, which were represented in the Chamber of Corporations that replaced the Chamber of Deputies. The state, not consumers and owners, determined what the economy produced.
